

GR GRAFFITI REMOVER GEL FORMULA

GR GRAFFITI REMOVER

Description

Dynamatrix® GR Graffiti Remover is an extremely versatile cleaner specially designed to remove graffiti and stains from concrete and other surfaces. Its gel consistency allows for easy removal of stains on vertical and horizontal surfaces. It is the best cleaner to use when you are faced with an unknown tough stain. Readily biodegradable and non corrosive, *Dynamatrix® GR Graffiti Remover* is part of our latest generation of products that are safer for our environment.

Features and Advantages

- Cleans paint over sprays
- Removes stains caused by permanent markers
- Evaporates slowly for better workability.
- Its gel formula allows easy cleaning of vertical surfaces.
- Contains no CFCs.
- Not corrosive even on metals
- Compatible with most surfaces
- Readily Biodegradable
- Low toxicity

Recommended Surfaces

It can be used on a vast majority of surfaces such as concrete, masonry, clay, plastic, fiberglass, wood, metals, steel, copper, aluminum, glass and even painted surfaces.

Storage

Store *Dynamatrix® GR Graffiti Remover* in its original container at temperatures between 10°C and 25°C (50°F to 75°F) in a dry area. The shelf life of this product is 3 years or less.

Directions

A. Surface Testing

Before using the product, always perform a surface test by applying the product on a small inconspicuous area and follow the application instructions. If you are satisfied with the results and if no surface degradation occurs, proceed with the work.

Note: Some types of paints and coatings may degrade in contact with the product. Always perform a test before using at large.

B. Application Procedure

1. Wear adequate protective clothing, safety glasses and chemical resistant gloves
2. Apply *GR Graffiti Remover* directly on your stains. Let it sit for about 3 to 5 minutes on the stains without the product drying. Apply more if the product is starting to dry.
3. Using a small brush or a scrub pad, quickly work the product into the stain.
4. Using a pressure washer, rinse thoroughly to remove the stain. Repeat the procedure if necessary.

Clean-up

Ground and Maritime freight are not regulated for this product.

Packaging

Dynamatrix® GR Graffiti Remover is available in metal containers of 0.946L (1US Quart) and in 18.9L (5US gal).
